Hail, fellow drinkers and borderline alcoholics, the potential last Whipet (organised by someone in Witham at least) is upon us. Gird your loins and steel your kindeys for a roller coaster ride of over the top alcohol abuse. We are down to twenty pubs this year after the elimination of the Duke of Wellington due to an inability to provide anything remotely drinkable last time. Martin is kindly screaming us around again. Any joining for the walking section can check on progress on Cats mobile 07970 654308. Departure is at 11:00 promptly on Friday the 18th, tardiness carries the usual castration risk.
