4. No Pull No Choke: 2 metal rings are ideal for reducing or even eliminating the pulling behavior of most dogs. Help you to control, train, and walk the dog better in your daily life.

5. Night Safety Protection: Super bright reflective strips ensure a safe walk day and night.

6. Additional Control: Grab the top handle to help you gain instant control of your dog in some situations, like getting in the car or going up the stairs.
