## ANIMAL HOPPER

Assembly Guide

IMPORTANT: RETAIN FOR FUTURE REFERENCE

### WARNINGS:

- **WARNING!** Use only under competent supervision. Not suitable for children under the age of 36 months. Components of this product may break off into small pieces and present a choking hazard.
- **AN ADULT IS TO INFLATE THIS HOPPER.** Inflate with either a hand pump, foot pump or low pressure electric pump (DO NOT USE A HIGH PRESSURE COMPRESSOR).
- Pump is not included.
- Always use in a flat cleared area (away from sharp objects) or fragile objects which may get damaged or cause injury, away from buckets, stones, twigs etc.
- Never use near steps or stairways.
- Note: this toy is not a floatation device and is not intended for use in water.
- An adult should top up with air (when necessary) and should inspect for wear or damage before use. Conforms to EN71.
- Maximum weight Capacity : 30 Kg / 66 Lbs.

- Before using, check the ground or floor and make sure there is not any sharp objects that may puncture the hopper.
- Play in a safe place to avoid danger.
- Please use a soft cloth and water to clean the hopper.
- Do not use frictional cleansers that may scrape the hopper.
- Keep the hopper in shady place and away from heat.
- Keep the hopper from touching newspapers, photocopy paper or mimeograph subjects directly; Otherwise the ink may stain the hopper forever.
- Children should play under the supervision of adults.
- This is a toy for children, not intended for adults
- The toy should be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties.

## How to use...

- Inflate the ball to the desired size (Max. diameter 45cm) with air pressure 1.0 bar pumping device.
- The mouth of the pumping device needs to be approximate 6mm in diameter.
- Use a measuring tape if necessary to assure proper inflation size has been achieved.
- After inflation, remove the pump nozzle from the hole and fully insert the plastic plug.
- Make sure the plug is secured tightly before use.

## CARE INSTRUCTIONS

Store in a dry, ventilated place away from direct light. Wipe clean with a soft damp cloth.

## INSTRUCTIONS FOR USE

Remove the hopper from the packaging. Lay the hopper out flat and allow it to come to room temperature before inflating. Alternatively, use a flexible cloth tape to measure the circumference of the hopper. (Maximum diameter 45cm). Insert the inflate adaptor into the valve opening. Using a 1.0 bar hand pump, foot pump or low-pressure electric pump. **DO NOT USE HIGH PRESSURE COMPRESSOR.** Inflate the hopper until it reaches the prescribed circumference. This is the initial inflation size. Insert the plug into the valve opening and gently rest on the hopper. Check the plug so that it is flush with the surface of the hopper. The hopper is ready to use. Do not store in direct sunlight or behind a window. Do not store against a painted or lacquered wall or furniture.

## WARNING

Only for domestic use. To be used under the direct supervision of an adult. **NEVER INFLATE YOUR HOPPER BALL GREATER THAN THE LABELLED MAXIMUM INFLATION SIZE. SERIOUS BODILY INJURY MAY RESULT IF INFLATION INSTRUCTIONS ARE NOT FOLLOWED. MAXIMUM WEIGHT CAPACITY 30KG/66lbs.** Not suitable for children under 3 years old. Choking hazard. Small parts. The toy should be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties. Completely remove all plastic ties and packaging before giving this toy to children. Please retain this information for future reference.
